

**J. Sargeant Reynolds Community College
Course Content Summary**

Course Prefix and Number: SPA 102 **Credits:** 4

Course Title: Beginning Spanish II

Course Description:

Introduces cultural awareness, listening, speaking, reading, and writing skills and emphasizes basic sentence structure. This is a UCGS transfer course. Part II of II. Lecture 4 hours. Total 4 hours per week. 4 credits

General Course Purpose:

SPA 102 students will continue to develop competence in listening, speaking, reading, and writing in the standard target language while gaining an awareness of the culture, heritage, and civic values of the cultures studied.

Course Prerequisites/Corequisites:

SPA 101, or two years of successful completion of high school Spanish, or demonstrated experiential learning, or by placement test, or equivalent.

Student Learning Outcomes:

Upon completing the course, the student will be able to:

Written Communication

- Use course material to develop, convey, and exchange comprehensible ideas in the target language.

Professional Readiness

- Collaborate with others and continue to use the target language and cultural behaviors to communicate appropriately in personal and professional settings at a basic level.

Interpersonal Skills

- Show evidence of the ability to engage in simple conversation, ask discrete questions that initiate conversation, and use high frequency words in interpersonal communications.
- Communicate in some spontaneous spoken, written or signed conversations on familiar topics.
- Use some or all of the following strategies to maintain communication: initiate modeled words, use facial expressions, repeat words, ask for repetition, and/or indicate lack of understanding.

Interpretive Skills

- Comprehend main ideas and identify supporting evidence.
- Comprehend information in a variety of familiar contexts from authentic texts that are spoken, written, or signed.

- Begin to derive meaning through using structural patterns used in both familiar and new contexts.

Presentational Skills

- Present relevant/prepared written and oral evidence of the ability to express own thoughts and preferences.
- Demonstrate ability to create comprehensible oral and written messages in practiced or familiar contexts.
- Develop increasing ability to create comprehensible oral and written production of questions and statements using grammar according to the course level.

Intercultural Communication

- Interact at a survival level in everyday contexts with people in and from other cultures using the target language and appropriate rehearsed behaviors.
- Develop geographic, historic, and cultural understanding of the culture(s) associated with a target language.

Major Topics to be Included:

- Interpersonal Skills
- Interpretive Skills
- Presentational Skills
- Intercultural Communication
