The 2022-2023
FAFSA is the
free application
for financial aid
for the Fall
2022, Spring
2023 and
Summer 2023
semesters!

Not sure where to start?
Reynolds wants to help!

Each Wednesday we host a
virtual FAFSA workshop. The
first Friday of each month is
FAFSAs on First Fridays!

You can register for this
(and other financial aid events)
by registering on the workshop
webpage!

Submitted the FAFSA?

For 2022-2023, we won't start pulling
in your FAFSA until late December!

When received, we'll review the
FAFSA to see if we need anything else
from you. You can see this in your "To
Do" list of your Student Services Center
of SIS!

If additional information is needed,
submit this as soon as possible. You
won't be awarded financial aid until all
of your requirements are completed if
you had any. But don't worry,
Reynolds won't start awarding students
Fall 2022 students until April 2022!
